Ulsan & UOU

Ulsan Metropolitan City is an industrial hub in Korea's economy, powered by key industries such as Hyundai Motor, Shipbuilding, and Petrochemicals.

▪ The Founding Philosophy of the University of Ulsan

“ Thirst for Learning, Learning for Success”

The University of Ulsan was established in 1970 by the esteemed late Asan Chung Ju-Yung, founder of the world-renowned Hyundai business group. Asan was one of the most prominent entrepreneurs in modern global history, a truly great man with a humble mind, and an educator who wanted to benefit the world with knowledge and education. The University of Ulsan proudly continues in Asan’s innate guiding philosophies of pioneering entrepreneurship, love for mankind, and thirst for learning.
